HOSTED BAR

guest's drinks are paid for by a responsible party

The following discounts apply for a hosted bar:

- 50% off beer
- 30% off wine
- \$1 off cocktails

There are several hosted options to consider:

- . cover the drinks for the entire event
- . cover the beer and wine or a specialty drink
- . cover the bridal party
- . cover a predetermined amount of time or cocktail hour

We are more than happy to customize any options with you that fit your budget.

For all hosted options, there is a 18% gratuity of the final bar bill for the option that you choose.

SPECIAL ORDERS

If a particular beer or wine is ordered, you will be responsible for the unconsumed/unopened amount. It will be yours to take with you. For instance, if you prefer all Corona beer for your guests, we will purchase the amount that you determine. We will then sell back to you, at the discounted price, the remaining beer that has not been consumed. The special order is only available for hosted options.

A no-host bar will be charged to guests according to the attached Bar Menu & Pricing. We accept cash and cards.
